**moengage**

**MoEngage Inc.**, Growth Director DACH

Building relationships between brands and their end clients, I consult Enterprise businesses in DACH on how to optimize their tech stack to achieve optimal customer lifetime value by understanding their clients and engaging with them on any channel in the most meaningful and relevant way at scale. I lead the German speaking markets for MoEngage, build up the Sales strategy, speak at conferences, acquire new customers, lead evaluation processes with Enterprise brands and the respective contract negotiations. Some of my key clients include Deutsche Telekom, Neue Zürcher Zeitung, Panasonic Europe, Zurich Insurance, Oswald (Unilever), Ippen Digital, Fastic and Wetter.com (Pro7 Group).
